

# Favorite Healthcare Staffing's Referral Bonus Program

Favorite Healthcare Staffing offers employee and non-employee referral bonuses! Designed with you in mind, Favorite's Referral Bonus Program is quick and easy, with no application required. If you know a healthcare professional who is looking for a job, send us their contact information. You can submit your referrals online or make sure your referral includes your name as their referral source when they apply. Once they start working for us, we'll track their hours and pay you a bonus for every 50 hours they work up to the max for their class and specialty!

## Favorite's Top Dollar Employee Referral Bonus Program:

- **\$480** per 50 hours worked for NICU, L&D, OR, & AP RNs - Up to \$2,400!
- **\$300** per 50 hours worked for RNs or certain Allied Professionals - Up to \$1,500!
- **\$50** per 50 hours worked for LPNs or certain Allied Professionals - Up to \$250!
- **\$20** per 50 hours worked for CNAs & certain Allied Professionals - Up to \$100!

## Favorite's Non-Employee Referral Bonus Program:

- Get up to **\$250** for a Direct Hire placement!
- Get up to **\$200** for a Contract placement!
- Get up to **\$50** for a Per Diem placement!

### Program Qualifications:

1. The new applicant must give us your name as their referral source upon hire.
2. The referred employee must not have previously worked for Favorite and must perform 50 hours of billable service for Favorite (cancel pay, on-call and orientation do not count) for you to receive your first of a possible five (5) bonus installments.
3. The 250 hours must be complete within 180 days (6 months) for all installments to be issued.
4. Bonuses will only be paid to active status employees of Favorite who perform billable services for clients.
5. Favorite reserves the right to modify or eliminate this program at any time.
