Favorite Healthcare Staffing Promotional Event Staffing Solutions

The Sunflower Group's experience with Favorite Healthcare Staffing has exceeded the initial expectations we had as we began our partnership. We have contracted with Favorite on several promotional staffing initiatives. Favorite's execution rate in delivering staffing professionals as promised has exceeded 98 percent.

Favorite is committed to keeping their promises and contractual obligations, ensuring that they deliver outstanding results on time and on budget. Favorite's payroll, billing, credentialing, quality assurance and scheduling systems are structured to provide optimum integration and visibility with client systems and processes.

We look forward to continued opportunities to partner with Favorite for our professional staffing needs for promotional events. Their ability to provide dependable staffing solutions, coupled with the high-quality of their workforce professionals, makes Favorite a preferred partner for The Sunflower Group's promotional event staffing needs.
